UNITED STATES GOVERNMENT

Memorandum

TO : File (44-1987) DATE: 4/26/68

FROM : ASAC C. O. HALTER

SUBJECT: MURKIN

NORMENT, JR.

Supervisor ROY J. JEVONS of the FBI Laboratory telephonically communicated with me at 2:42 PM, April 26, 1968, at which time he furnished the following information:

Bureau Airtel was sent to Memphis under date of 4/25/68, authorizing the return of those items of evidence obtained from the Memphis PD to the Memphis PD. The Airtel reflected the items were being forwarded Registered Mail. This has been changed. SA JIM ~~NORMENT (or NORMAN)~~ of the Washington Field Office will bring the evidence to Memphis, 4/26/68, via American Airlines Flight 789, which will leave Washington, D. C., 5:00 PM and arrive Memphis, 6:43 PM.

An Agent of the Memphis Division is to meet SA NORMENT with a Bureau car so that the evidence may be transmitted to the Memphis Office.

After the evidence has been checked to determine definitely those items obtained from the Memphis PD, the items should be returned to the Memphis PD, taking care that the chain of evidence is maintained.

Comments should be made to the Memphis PD that at some time in the future it may be necessary to request the return of the evidence to the Laboratory for additional examinations.
